

EYFS Music Key Learning

'Working together to achieve success'

In EYFS Music is planned for under the umbrella of the area of learning: Expressive Arts and Design which encompasses the strands of Creating with Materials and Being Imaginative & Expressive.

The Key Learning identified in the table below is planned for by the EYFS Teacher based on termly analysis of each cohort's data using the Development Matters guidance/ELG's to identify gaps or next steps in learning. Please refer to termly EYFS Key Learning Overviews for focus of Music learning in each term.

Children in EYFS listen to music & sing songs & rhymes on a daily basis plus they have continuous access to a range of tuned and untuned percussion instruments.

Singing	 Sing in a group or on their own Increasingly try to match the pitch sung by another person (pitch match) Sing the melodic shape of familiar songs (moving melody, such as up & down, down & up) Practise then perform songs, rhymes & poems with others, remembering entire songs. 		
Listening	 Listen attentively to music & songs Try to move in time with music Talk about music, expressing their feelings & thoughts. 		
Composing	 Explore, use & refine a variety of artistic effects to express their ideas and feelings Return to & build on their previous learning, refining ideas & developing their ability to represent them Create collaboratively sharing ideas, resources & skills Explore & engage in music making, performing solo or in groups Play instruments * with increasing control & in different ways including loud/quiet 		
	Musicianship		
Pulse/Beat	Nod or tap a (heart) beat/pulse following the teacher in response to different pieces of music		
Rhythm	Copy simple rhythm patterns following the teacher or picture prompts e.g.pull/turnip/enormous		
Pitch	 Listen to sounds, comparing high & low sounds Sing/say words & phrases in high/low voices 		

Name instruments: maracas, (indian) bells, rhythm sticks, tambourine, guiro, triangle

Year One Music Key Learning

Singing	Sing simple songs, chants & rhymes from memory, singing collectively & at the same pitch, responding to simple visual directions (e.g. stop, start, loud, quiet) & counting in. Sing a wide range of call & response songs to control years nitch they have
	 Sing a wide range of call & response songs, to control vocal pitch they hear with accuracy.
	Respond to different music saying how it makes them feel, act, move
I into a la a	Say whether or not they like a piece of music
Listening	• Identify repetitive elements (structure), silence (duration), loud & quiet
	(dynamics) & high & low sounds (pitch) within songs and pieces of music they
	listen to
	• Improvise simple vocal chants, using <i>question & answer</i> phrases
	 Create musical sound effects & short sequences of sounds in response to stimuli e.g. a rainstorm or a train journey. Combine to make a story, choosing
	& playing classroom instruments (e.g. rainmaker) or sound-makers (e.g.
	rustling leaves)
	• Understand the difference between creating a rhythm pattern & a pitch pattern
Composing	 Invent, retain & recall rhythm & pitch patterns & perform these for others,
	taking turns
	Use music technology, if available, to capture, change & combine sounds
	Recognise how graphic notation can represent created sounds. Explore &
	invent own symbols e.g.

Year Two Music Key Learning

Singing	 Sing songs regularly with a <i>pitch</i> range of do-<i>so</i> with increasing voice control Sing songs with a small pitch range, pitching accurately Know the meaning of <i>dynamics</i> (loud/quiet) & <i>tempo</i> (fast/slow) & be able to demonstrate these when singing by responding to (a) the leader's directions & (b) visual symbols (e.g. <i>crescendo, decrescendo, pause</i>) Listen with growing concentration to music of a longer duration
Listening	 Identify sections of music which sound the same or different e.g. verse/chorus Identify fast(er) & slow(er) (tempo) & long & short sounds (duration) within songs and pieces of music they listen to
Composing	 Create music in response to a non-musical stimulus (e.g. a storm, a car race, or a rocket launch) Work with a partner to improvise simple question and answer phrases, to be sung and played on untuned percussion, creating a musical conversation Use graphic symbols & dot notation to keep a record of composed pieces Use music technology, if available, to capture, change & combine sounds
	Musicianship
Pulse/Beat	 Understand that the speed of the beat can change, creating a faster or slower pace (tempo) Mark the beat of a listening piece (e.g. Bolero by Ravel) by tapping or clapping & recognising the tempo as well as changes in tempo Walk in time to the beat of a piece of music or song (e.g. La Mourisque by Susato)
Rhythm	 Play copycat rhythms, copying a leader & inventing rhythms for others to copy on untuned percussion Create rhythms using word phrases as a starting point (e.g. Hel-lo Si-mon or Can you come and play?) Read & respond to chanted rhythm patterns and represent them with graphic symbols & dot notation Create & perform their own chanted rhythm patterns with the same notation
Pitch	 Play a range of singing games based on the cuckoo interval (so-mi, e.g. Little Sally Saucer) matching voices accurately, supported by a leader playing the melody (played on piano, acoustic instrument or backing track) Sing short phrases independently within a singing game or short song Respond independently to pitch changes heard in melodic phrases, indicating with actions (e.g. stand up/sit down, hands high/hands low) Recognise dot notation & match it to 3-note tunes played on tuned percussion

Year Three Music Key Learning

Singing	 Sing a widening range of unison songs of varying styles and structures with a pitch range of do—so (e.g. Extreme Weather), tunefully and with expression. Perform forte and piano, loud and soft. Perform actions confidently and in time to a range of action songs (e.g. Heads and Shoulders). Walk, move or clap a steady beat with others, changing the speed of the beat as the tempo of the music changes. Perform as a choir in school assemblies with expression, good diction & a
	growing sense of pitch.
Listening	 Listen with attention to detail & recall sounds heard within a range of musical styles Begin to use musical words to describe and talk about music e.g. pulse, rhythm, pitch, melody, tempo, dynamics, timbre Say whether or not they like a piece of music & say why Talk about the moods created by different pieces of music e.g. calming/frightening
Composing	 Become more skilled in improvising (using voices & instruments), inventing short 'on-the-spot' responses using a limited note-range. Structure musical ideas (e.g. using echo or question and answer phrases) to create music that has a beginning, middle and end. Pupils should compose in response to different stimuli, e.g. stories, verse, images (paintings and photographs) and musical sources. Combine known rhythmic notation with letter names to create rising and falling phrases using just three notes (do, re and mi). Compose song accompaniments on untuned percussion using known rhythms and note values.
Performing	 Develop facility in playing tuned percussion or a melodic instrument such as recorder. Play and perform melodies following staff notation using a small range (e.g. Middle C–E/do–mi) as a whole class or in small groups (e.g. trios and quartets). Use listening skills to correctly order phrases using dot notation, showing different arrangements of notes C-D-E/do-re-mi (see illustration):
	 Watch a recording and/or discuss the performance & offer helpful and thoughtful comments and feedback about others' music/singing Practise, rehearse and present performances with awareness of an audience
Reading Notation	 Introduce the stave, lines and spaces, and clef. Use dot notation to show higher or lower pitch. Introduce and understand the differences between crotchets, paired quavers and crotchet rests. Apply word chants to rhythms, understanding how to link each syllable to one musical note.

Year Four Music Key Learning 'Working together to achieve success'

	<u> </u>
Singing	 Continue to sing a broad range of unison songs with the range of an octave (do-do) (e.g. One More Day-a traditional sea shanty) pitching the voice accurately and following directions for getting louder (crescendo) and quieter (decrescendo). Sing rounds and partner songs in different time signatures (2, 3 and 4 time) (e.g. Our Dustbin) and begin to sing repertoire with small and large leaps as well as a simple second part to introduce vocal harmony (e.g. Hear the Wind). Perform a range of songs with expression, good diction & a growing sense of pitch
	pitch.
Listening	 Listen with attention to detail & refer to & compare the different sounds instruments make such as brass, woodwind, metallic/wooden percussion, string, electronic(keyboards) Begin to use musical words to describe and talk about music e.g. pulse, rhythm, pitch, melody, tempo, dynamics, texture, timbre Say whether or not they like a piece of music & say why? Talk about the moods created by different pieces of music e.g.
	calming/frightening?
	 Combine known rhythmic notation with letter names to create short pentatonic phrases using a limited range of 5 notes suitable for the instruments being learnt. Sing and play these phrases as self-standing compositions. Arrange individual notation cards of known note values to create sequences of 2-, 3- or 4-beat phrases, arranged into bars.
Composing	
	 Explore developing knowledge of musical components by composing music to create a specific mood, for example creating music to accompany a short film clip. Capture and record creative ideas using any of: graphic symbols, staff notation or technology.
	Perform in two or more parts (e.g. melody and accompaniment or a duet) from
Performing	 Perform in two of more parts (e.g. filelody and accompaniment of a duet) from simple notation Copy short melodic phrases including those using the pentatonic scale (e.g. C, D, E, G, A). Watch a recording and/or discuss the performance & offer helpful and
	thoughtful comments and feedback about others' music/singing
	Practise, rehearse and present performances with awareness of an audience
Reading Notation	 Understand the differences between minims, semi-breves, crotchets, paired quavers and rests. Read and perform pitch notation within a defined range (e.g. C–G/do–so). Follow and perform simple rhythmic scores to a steady beat: maintain individual parts accurately within the rhythmic texture, achieving a sense of
	ensemble.

Year Five Music Key Learning

	Sing a broad range of songs from an extended reportoire with a sense of
	Only a broad range of songs from an extended reperione with a sense of
Singing	ensemble and performance. This should include observing phrasing, accurate
	pitching and appropriate style.
ogg	• Sing three-part rounds, partner songs, and songs with a verse and a chorus.
	Perform a range of songs in school assemblies and in school performance
	opportunities with a good understanding of the mood to be created & with
	good posture.
	 Use musical words to talk about & compare music e.g. pulse, rhythm, pitch,
Listoning	melody, tempo, dynamics, texture, timbre
Listening	 Identify solo, duet & ensemble voices, repetition or musical contrasts
	Begin to identify music from different periods & cultures
	 Make suggestions of suitable pieces of music for various occasions
	• Improvise freely over a drone, developing sense of shape and character, using
	tuned percussion and/or melodic instruments.
	• Improvise over a simple groove, responding to the beat, creating a satisfying
	melodic shape; experiment with using a wider range of dynamics, including
Comp	very loud (fortissimo), very quiet (pianissimo), moderately loud (mezzo forte),
Composing	and moderately quiet (mezzo piano).
	Compose music to evoke a specific atmosphere, mood or environment or
	create music to accompany a silent film or to set a scene in a play or book.
	Capture and record creative ideas using any of: graphic symbols, staff
	notation or technology.
	Play melodies on tuned percussion, melodic instruments or keyboards,
	following staff notation written on one stave.
Doutousing	Watch a recording and/or discuss the performance & offer helpful and
Performing	thoughtful comments and feedback about others' music/singing
	Practise, rehearse and present performances with awareness of an audience
	Reflect on & refine their own performances.
	Further understand the differences between semibreves, minims, crotchets
Reading Notation	and crotchet rests, paired quavers.
J	Read and play short rhythmic phrases at sight from prepared cards, using
	conventional symbols for known rhythms and note durations.

Year Six Music Key Learning

	Cing a broad way as of capacitically disp the section (also as property of the section)
Singing	 Sing a broad range of songs, including those that involve syncopated rhythms, as part of a choir, with a sense of ensemble and performance. This should include observing rhythm, phrasing, accurate pitching and appropriate style. Continue to sing three- and four-part rounds (e.g. Calypso by Jan Holdstock) or partner songs, and experiment with positioning singers randomly within the group – i.e. no longer in discrete parts – in order to develop greater listening skills, balance between parts and vocal independence. Perform a range of songs as a choir in school assemblies, school performance
	opportunities and to a wider audience with a good understanding of the mood to be created.
Listening	 Use musical words to talk about & compare music e.g. pulse, rhythm, pitch, melody, tempo, dynamics, texture, timbre Begin to identify music from different periods & cultures Make suggestions of suitable pieces of music for various occasions
Composing	 Create music with multiple sections that include repetition and contrast. Plan and compose an 8- or 16-beat melodic phrase using the pentatonic scale (e.g. C, D, E, G, A) and incorporate rhythmic variety and interest. Play this melody on available tuned percussion and/or orchestral instruments. Notate this melody. Use available music software/apps to create and record, discussing how musical contrasts are achieved.
Performing	 Play melodies on tuned percussion, melodic instruments or keyboards, following staff notation written on one stave. Watch a recording and/or discuss the performance & offer helpful and thoughtful comments and feedback about others' music/singing Practise, rehearse and present performances with awareness of an audience. Reflect on & refine their own performances.
Reading Notation	Read and play from notation a four-bar phrase, confidently identifying note names and durations.
